A great and endless ocean spreads
Beyond to a vast and blue horizon;
The flash of precious gems is seen,
A quiet ripple laps the sand;
A darkened cloud floats here and there,
But ever shines a golden path
Which leads us on and on.

Foreword

We, the hearty children of the sea, are attempting to show our appreciation for our life and recreation by featuring the things that relate to our sea, or gulf. We feel that we live in a tropical paradise; that we are caressed in the arms of the Atlantic on the one side and in the arms of the Gulf on the other. To show this love, and to help others see some of the pleasures and thrills we receive from living in Sarasota, we use the Gulf of Mexico and its life for our theme this year in our Sailor's Log. It is our wish that some may find pleasure in our Log and that others will have it as a storehouse of happy memories now and forever.

### BAND

The band which numbers approximately sixty members has had a very active year. It added color to all the football games and played in Tampa and St. Petersburg in addition to the usual local appearances and participation in the State Music Festival in Miami. The band sponsored the annual Spring School Music Festival and have in preparation a concert for Music Week. Their present objective is new uniforms.

### ORCHESTRA

The orchestra is in its third year and is certainly the best in the history of the school. Its schedule of activities included the school assemblies, Woman's Club Convention, Spring Music Festival, the annual State Music Festival in Tampa, and a concert in observance of Music Week. While their opportunities for performance are not as frequent as the band's, the orchestra has had a very active year.

## Dramatic Club

Greater in membership than any other extra curricular organization in SHS, the Dramateers, with the close of this season, terminate seven successful years of play production.

Under the competent direction of Donald McQueen, the club, during this time, has included among its accomplishments, twelve long plays, three pageants, forty-five short plays and numerous assembly programs which have been presented at the rate of one a semester.

Early in the present year the Thespians selected "Richelieu", a picturesque drama of French conspiracy, for their initial production. After a month of diligent work on costumes, scenery of the Louis XIII period, the play was successfully presented Nov. 21, 22, with Billy Tharp in the title role; Shirley Clement and Earlene Philpott in the feminine roles, and a supporting cast including Albert McFadyen as the French king, Edward Cooke as de Maubry, Curtis Horne as the Duke of Orleans, Philip Edwards as Baradas, and Bob Thacker as de Bedinghen.

At the present time rehearsals are being held for a variety show of a musical nature to be given April 23. This will be the last major production of the year.

The Players, local theater group, in their last production, "What A Life", a parody on high school life included in the cast De Forrest Cole, Sara Lamareaux, Frank Logan, Billy Tharp, Carlton Teate, Hope Wooley, and Joyce Ross, all of the high school dramatic club.

Meetings of the club are held each Thursday morning, third period, with programs which include make-up demonstrations, criticism of plays, and discussions of different phases of acting.

The Parent-Teacher Association, under the direction of Mrs. Gwynn Fox, took up student aid as their main project this year. Needy students were supplied with lunches.

To increase interest in its meetings, the P.-T. A. presented a cup to the home room having the best attendance at the monthly meetings. The home room receiving the cup the most times received a five dollar award. The Twelve Low Boys won the award this year.

Another project taken up was to continue the school dances and other recreational activities during the summer. This was done to keep the students occupied in healthful sports during vacation.

As a result of their efforts, the P.-T. A. has had a larger attendance of interested parents this year.

## FOOTBALL

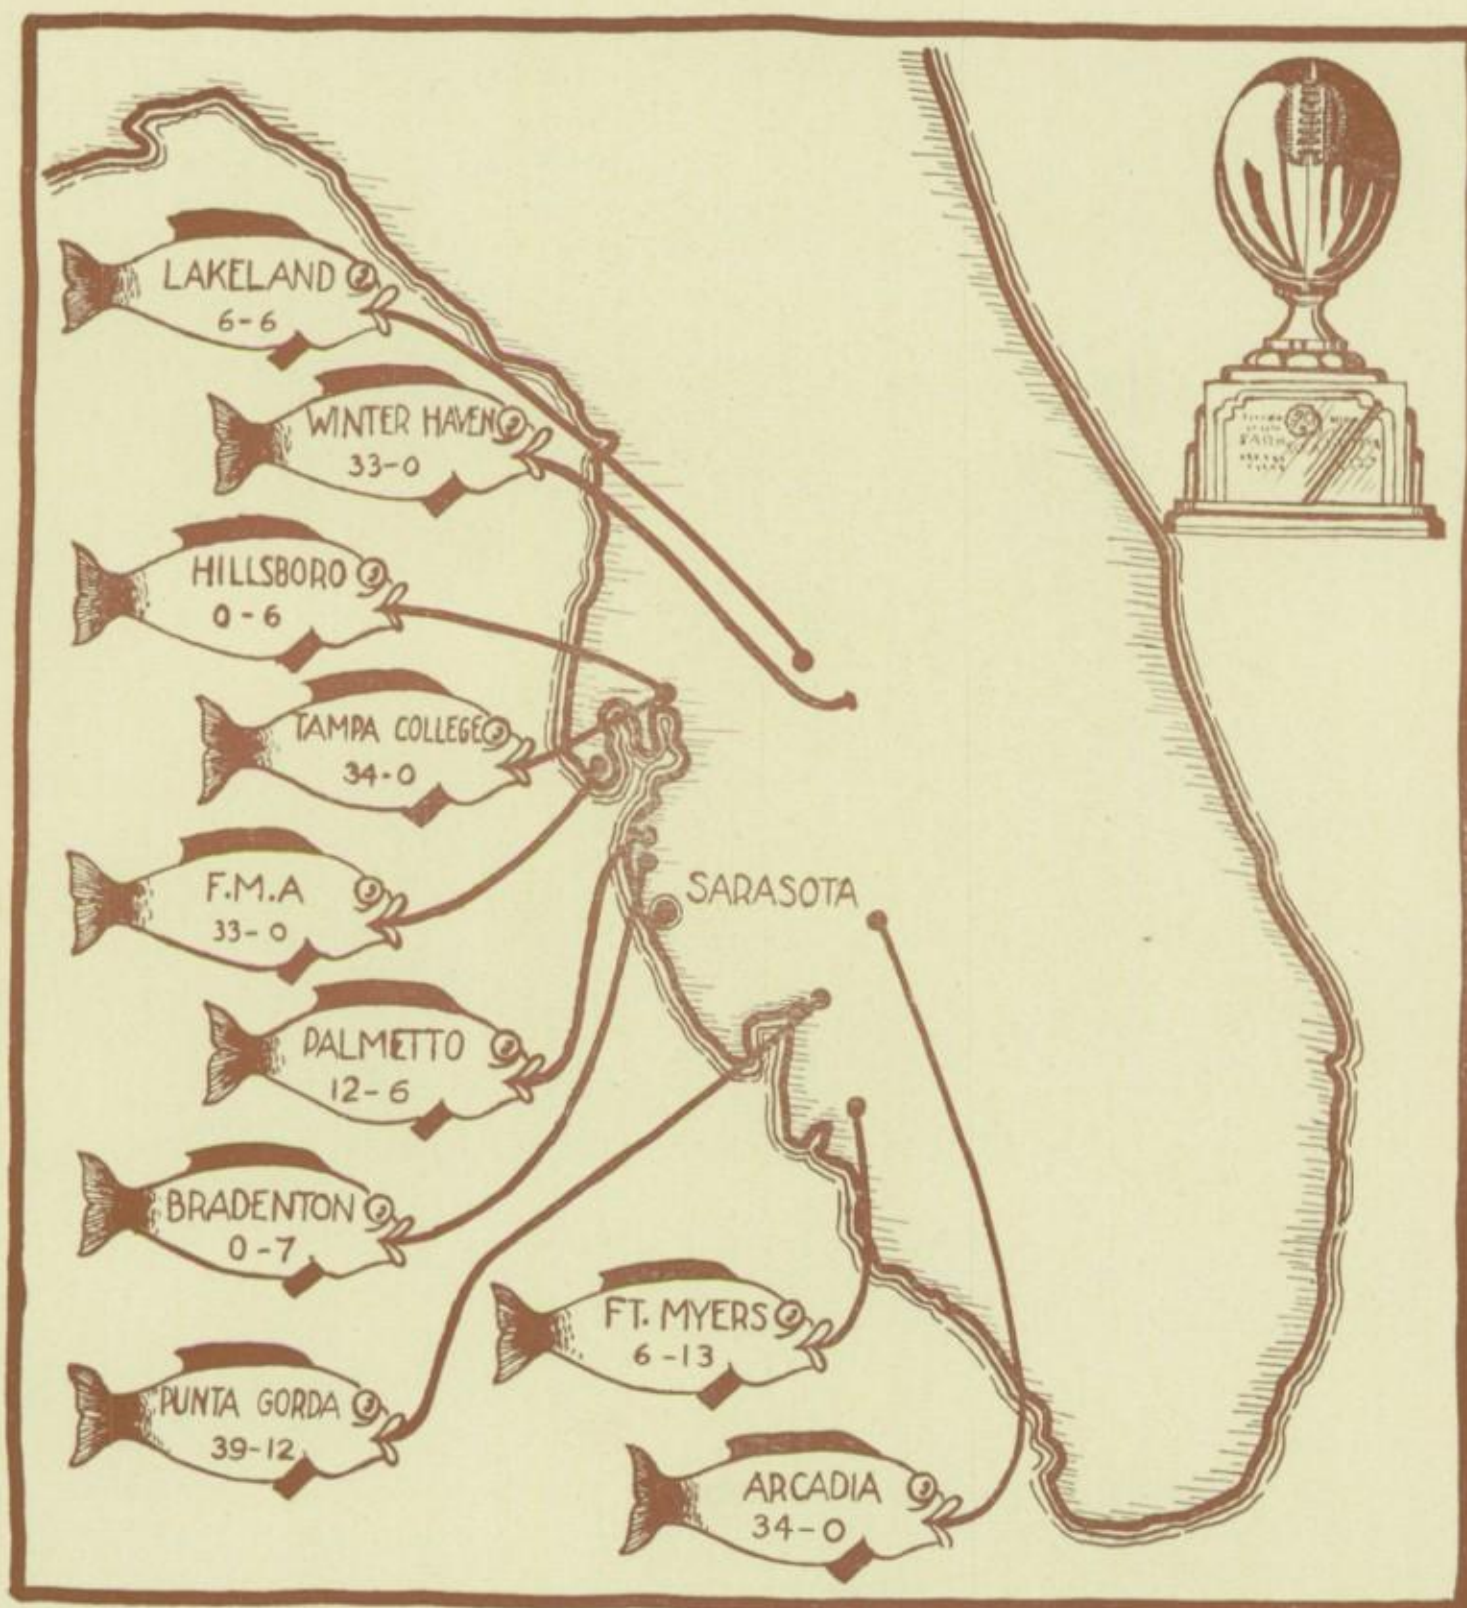

The Sarasota Sailors ended their season and, while they were not South Florida Conference champs, they were victors in the hearts of S. H. S. students. Throughout the season they upheld the ideals of clean playing and good sportsmanship so dear to their school. Dressed in uniforms of the school colors, black with orange trimmings, the Sailors provided plenty of thrills as under the flooding lights of Ihrig Field they unloosed power plays, knife drives, and long runs.

The "S" Club was fully organized this year. They elected officers, drew up a constitution, rules and by-laws. All members who did not live up to the set standard were severely dealt with.

To raise money the boys handled concessions at the sports events, gave dances after football games, and sponsored the election of a South Florida Conference Baseball Queen. The money taken in went for black sweaters which were awarded to boys winning their second letter this year.

Coach Chet A. Ihrig, sponsor of the "S" Club, directed the boys in setting up high, worth while standards and helped this become one of the outstanding organizations in S. H. S.

Sailors who went to the finals and became 1940 champs in their division were Dennis Azar, Charlie Taylor, and Harry Leatherman.

This year's squad was ably coached by Mr. Bullington and professional Al Reba.

Showing fine form in spite of few practice sessions, the entire group were well deserving of the crown.

## BASKETBALL REVIEW

The 1940 Sarasota High School Basketball team compiled, probably, the best record of any basketball team throughout the season and of any team in the history of the school, playing 19 games in their regular schedule, winning 16 and losing 3. They defeated Boca Grande and lost to K. M. I. out of the conference. They won within the conference from Bartow twice, Palmetto twice, Punta Gorda twice, Arcadia twice, Wauchula twice, Winter Haven twice, Fort Myers twice, Bradenton once, and lost to Bradenton once. Throughout the season they compiled a total of 628 points to their opponent's 483 points.

The squad this year was composed of 10 boys, which was divided into two teams—the first team composed of Arden McNeill, Kenneth Purtz, Ralph Matherly, D. J. Michael, and Jack Moore; the second team composed of John Moore, U. G. Matherly, Joe Leatherman, Frank Logan, and Jack Scott. Arden McNeil, captain of the Sailors this year, was high point man throughout the season with a total of 178 points. Kenneth Purtz, the lanky center on the squad, is second high point man with 128 points. Ralph Matherly, Sailor guard, was third high point man with 104 points. Arden McNeil and Ralph Matherly received additional honors by making first and second team all-conference.

Although these boys failed to win the South Florida Conference championship, they received the distinction of being chosen number one team in the South Florida Conference and number two in the district. Although these boys lost to Bartow in the semi-finals in the South Florida Conference Tournament and the quarter-finals in the District Tournament, they won the praise of Sarasota fans throughout the season with their neat ball handling and basketball shooting.

Razzle-dazzle—and that's what the 1939 Pep Squad did with their flashy marching and spirited yells.

Not a single formation was used twice throughout the entire football season. Marching before every game and, at the half, the Pep Squad displayed clever formations which were the product of hard work and constant drilling.

The cheer leaders wore their usual all-white uniforms with the addition of a full-sleeved orange jacket. The squad marched along in their all-white outfits and orange and black striped sweaters.

As a body which fought for school spirit, they are well deserving of three loud hurrahs.

## Swimming Team

The Sarasota High School swimming team, under the able direction of Miss Mildred Emmelhainz, earned a team tie for third place in the annual South Florida Conference Swimming Meet at Punta Gorda April 19.

The team was composed of eight boys and eight girls. The boys' team failed to earn any places except a third in the 50 yard back crawl, Courtland Collier winning the boy's only points. Other boys competing were Faubel Campbell, Dale Ernsberger, Preston Knapp, Carl Taylor, Bud Strong, George Healey and Louis Southwick.

The girls' team won the 100 yard medley relay with a team composed of Strong, Warner and Clark. Marnie Petrie earned a second in the diving. Emily Parker was second in the 50 yard breast stroke, and in the 50 yard back crawl. Carol Clark was third in the 100 yard free style. The relay team of Neely, Faye, Taylor and Clark was third in the 200 yard relay. Girls making up the team were: Carol Clark, Emily Parker, Jeannette Taylor, Jean Neely, Marnie Petrie, Beulah Strong, Elva Warner, and Jeannette Faye.

The meet was won by Punta Gorda with Arcadia second.

Satisfaction with the team was expressed by Miss Emmelhainz who was pleased with the showing of the team which was, as a whole, meeting its first competition. The team practiced in Warner's pool and worked under a slight disadvantage of not having marked lanes, exact distances, or pool turns on which to practice. The divers, Miss Petrie and Louis Southwick, were unable to practice due to having no board from which to make their dives. However, despite this, the team performed very capably.

Sailorettes ended the 1940 season successfully; playing 17 games, winning 7, losing 8, tying 2. The team was composed entirely of new girls with the exception of Virginia Rhoades.

The high scorer for the year was Sara Lamareaux. Yvonne Willis, honorary captain, came in a close second. Carol Clark and Virginia Tharp, two scrappy guards, greatly helped their team. As a unit, this team was fast and capable while handling the ball. Experience only is needed to make them click.

Coach Emmelhainz reports that her entire squad will be back next year intact, and, with a year's experience, results should reach a top scoring for the conference.

The Sailor baseball team with a considerably strong line-up started the season fast and continued so throughout the season.

The team defeated Venice once; K. M. I., twice; Punta Gorda, three times; Bradenton, twice; Fort Myers, twice; and dropped two close games to the Hillsborough team.

Sarasota played host to the South Florida Conference baseball tournament, April 25, 26. The Sailors won their first game in the tournament from Punta Gorda but lost a thriller in the semi-finals to Wauchula 1 to 0.

Ralph Matherly and John Moore were placed on the first string All-Conference team, Matherly unanimously elected captain. Joe Leatherman and Richard Willis won berths on the second string Conference team.

Although the Sailors did not win the conference championship they were seeded first, having lost no games at all, and having totalled 93 runs to their opponents' 25.

## Track Team

For the first time in the history of the school an organized and extensive plan of attack upon track and field was formulated and carried out. Approximately 25 boys worked seriously for a coveted position on the team. The first inclination that the townspeople or the student body received as to the plan of action was when the team scheduled a dual meet, the first the school has ever had, with K. M. I. Although beaten the boys showed to good advantage. They held their second dual meet with Bradenton H. S. and were easily the victors. At the South Florida Conference Meet, the team won the Track Championship trophy for the first time since Sarasota has been in the Conference. Not only did they win it by a handsome margin, but they established five new records, a sixth being disqualified through a technicality. Henry Drew established a record for the mile run, Harper Thompson raced to a new mark in the half mile. Harry Leatherman set a new mark for the discus throw, and the relay teams over the half mile and mile courses set new marks. The Sprint Medley team was disqualified after breaking the record in that event.

The team was composed of Harper Thompson, captain; D. J. Michael, James Baccus, Harry Leatherman, Henry Drew, Glen Powell, John Moore, Hugh Tyler, Buster Austin, Fred Riegel, Maynard Rhoades, George Healey, Ralph Matherly, Kenneth Purtz, and Harry Higel. Gold medals for winning events in the Conference meet were won by D. J. Michael, Harper Thompson, James Baccus, Harry Leatherman and Henry Drew. No medals were given to the relay teams.

The team was coached by Dick Price who ably directed the squad to its highest honors in the history of track at Sarasota High School.

## Art Department

Under the excellent instruction this year of Mrs. Leo Haworth, the art department has made itself prominent in all phases of school life. The hall bulletin case has been kept supplied continuously with exhibits of work. The walls of the cafeteria have been beautified with friezes and posters, showing excellent design and taste, suitable to the different seasons and holidays.

An exhibit for parents was greatly admired at the February meeting, when drawings, pastel work, water color paintings, and charcoal showed the various forms of art. The department assisted with designing scenery for the various plays given, and made the place cards and invitations for school banquets. Altogether the year has been most successful and SHS has pupils who show quite a bit of ability.

## JUNIOR HIGH CHEERLEADERS

To back the Junior High "Gobs" there were eight Junior High cheerleaders who provided plenty of noise at the games. They were chosen from the Junior High with each group having one girl and the ninth grade two.

Jauntily dressed in black, white, and orange skirts and blouses, these girls headed by Evelyn Metcalf worked like veteran leaders both at games and pep assemblies; and next year it is hoped that they can continue.

A vote of thanks should go to Miss Mildred Emmelhainz and Senior High Cheerleaders who coached these girls.

# "Taught to the tune of a hickory stick"

**I**N your grandfather's time, the hickory stick and the dunce cap were integral parts of the educational system. But today, education has become more civilized. It uses new methods to get better results. And cheap utility service is like that too . . . it is as modern as today . . . as new as tomorrow. Modern education raises the mental standard; cheap utility service raises the "better living" standard. As public servants we are constantly striving to provide a better, more dependable and cheaper service. Call on us anytime.
